

Job Description for Packaging Technician
(Full-time, first shift, hourly position)

Job Duties:

- Assist with packaging, including canning line, keg washing, keg filling
- Maintain clean packaging area and adhere to our strict sanitary procedures.
- Assist with monitoring inventories of all packaging materials.
- Monitor quality and consistency during cellaring and packaging.
- Desire to learn, grow, and take on increased responsibilities.

Qualifications:

- Previous packaging and/or cellaring experience preferred, but not required.
- Must be 21 years of age or older, have a valid driver's license, a clean driving record, and reliable transportation.
- Must be able to lift and move cases of beer and move full beer kegs on a regular basis.
- Ability to operate (or learn to operate) forklifts and pallet jacks.
- Ability and willingness to maintain flexible work schedules, as weekend and extended workdays may occasionally be necessary.
- Mechanically inclined.
- Ability to work well in a dynamic team environment.
- Ability to think critically to help us improve our processes, procedures, safety, and quality control.

Benefits:

- A competitive hourly pay rate, commensurate with experience
- Paid time off (vacation, sick, and holiday)
- 100% Company paid health insurance, life insurance, and disability insurance
- Available dental, vision, and supplemental life insurance
- 100% Company paid 401(k), with matching contributions
- Annual bonus program and beer allotment

About Us:

Back East is an award-winning Craft brewery located in Bloomfield, CT with distribution throughout CT and Western Mass in cans and on draft, and an active tap room. We work hard and love what we do. We are looking for a talented, easy-going, and hard-working individual with a respect and passion for craft beer that is interested in joining our production team and helping us to grow. We believe in a fun and positive environment that rewards hard work.
